(*a*) Excluding Hata Tahsil which is under settlement.
(*b*) Excluding Harria and Basti and part of Khalilabad Tahsils under settlement.
(*c*) Excluding Ballia, Gopajit East and Khareil for which figures are not available.
Difference from last year's figures in the case of Gorakhpur, Basti and Ballia districts is due to a difference in the area to which returns of the present and the preceding years pertained, while the difference in the case of Saharanpur, Meerut, Agra, and other districts is for the most part due to greater accuracy with which returns of the present year have been collected.
